

Good morning,
what can I do
for you?

Harmless?

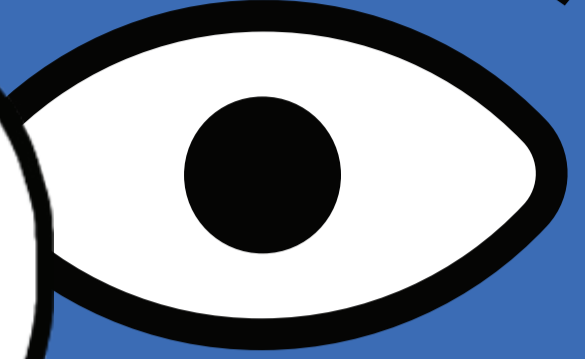

I can think
of lots of
things...

Harmless?

I went there last year with my girlfriend...

What, you don't look like a lesbian!

Harmless?

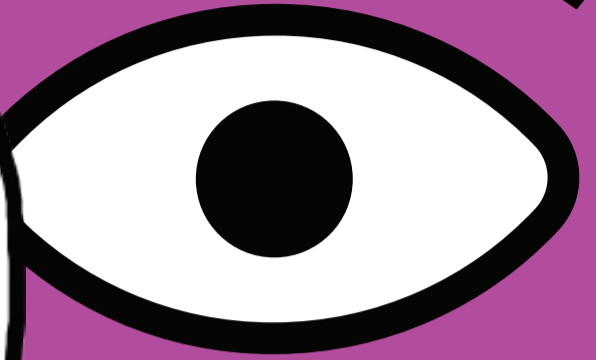

Wait, you
can't drink
and drive?

Hahaha!

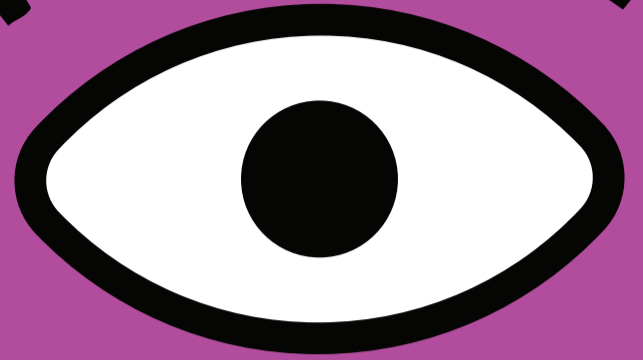

Harmless?

You are the most beautiful black woman I have ever seen.

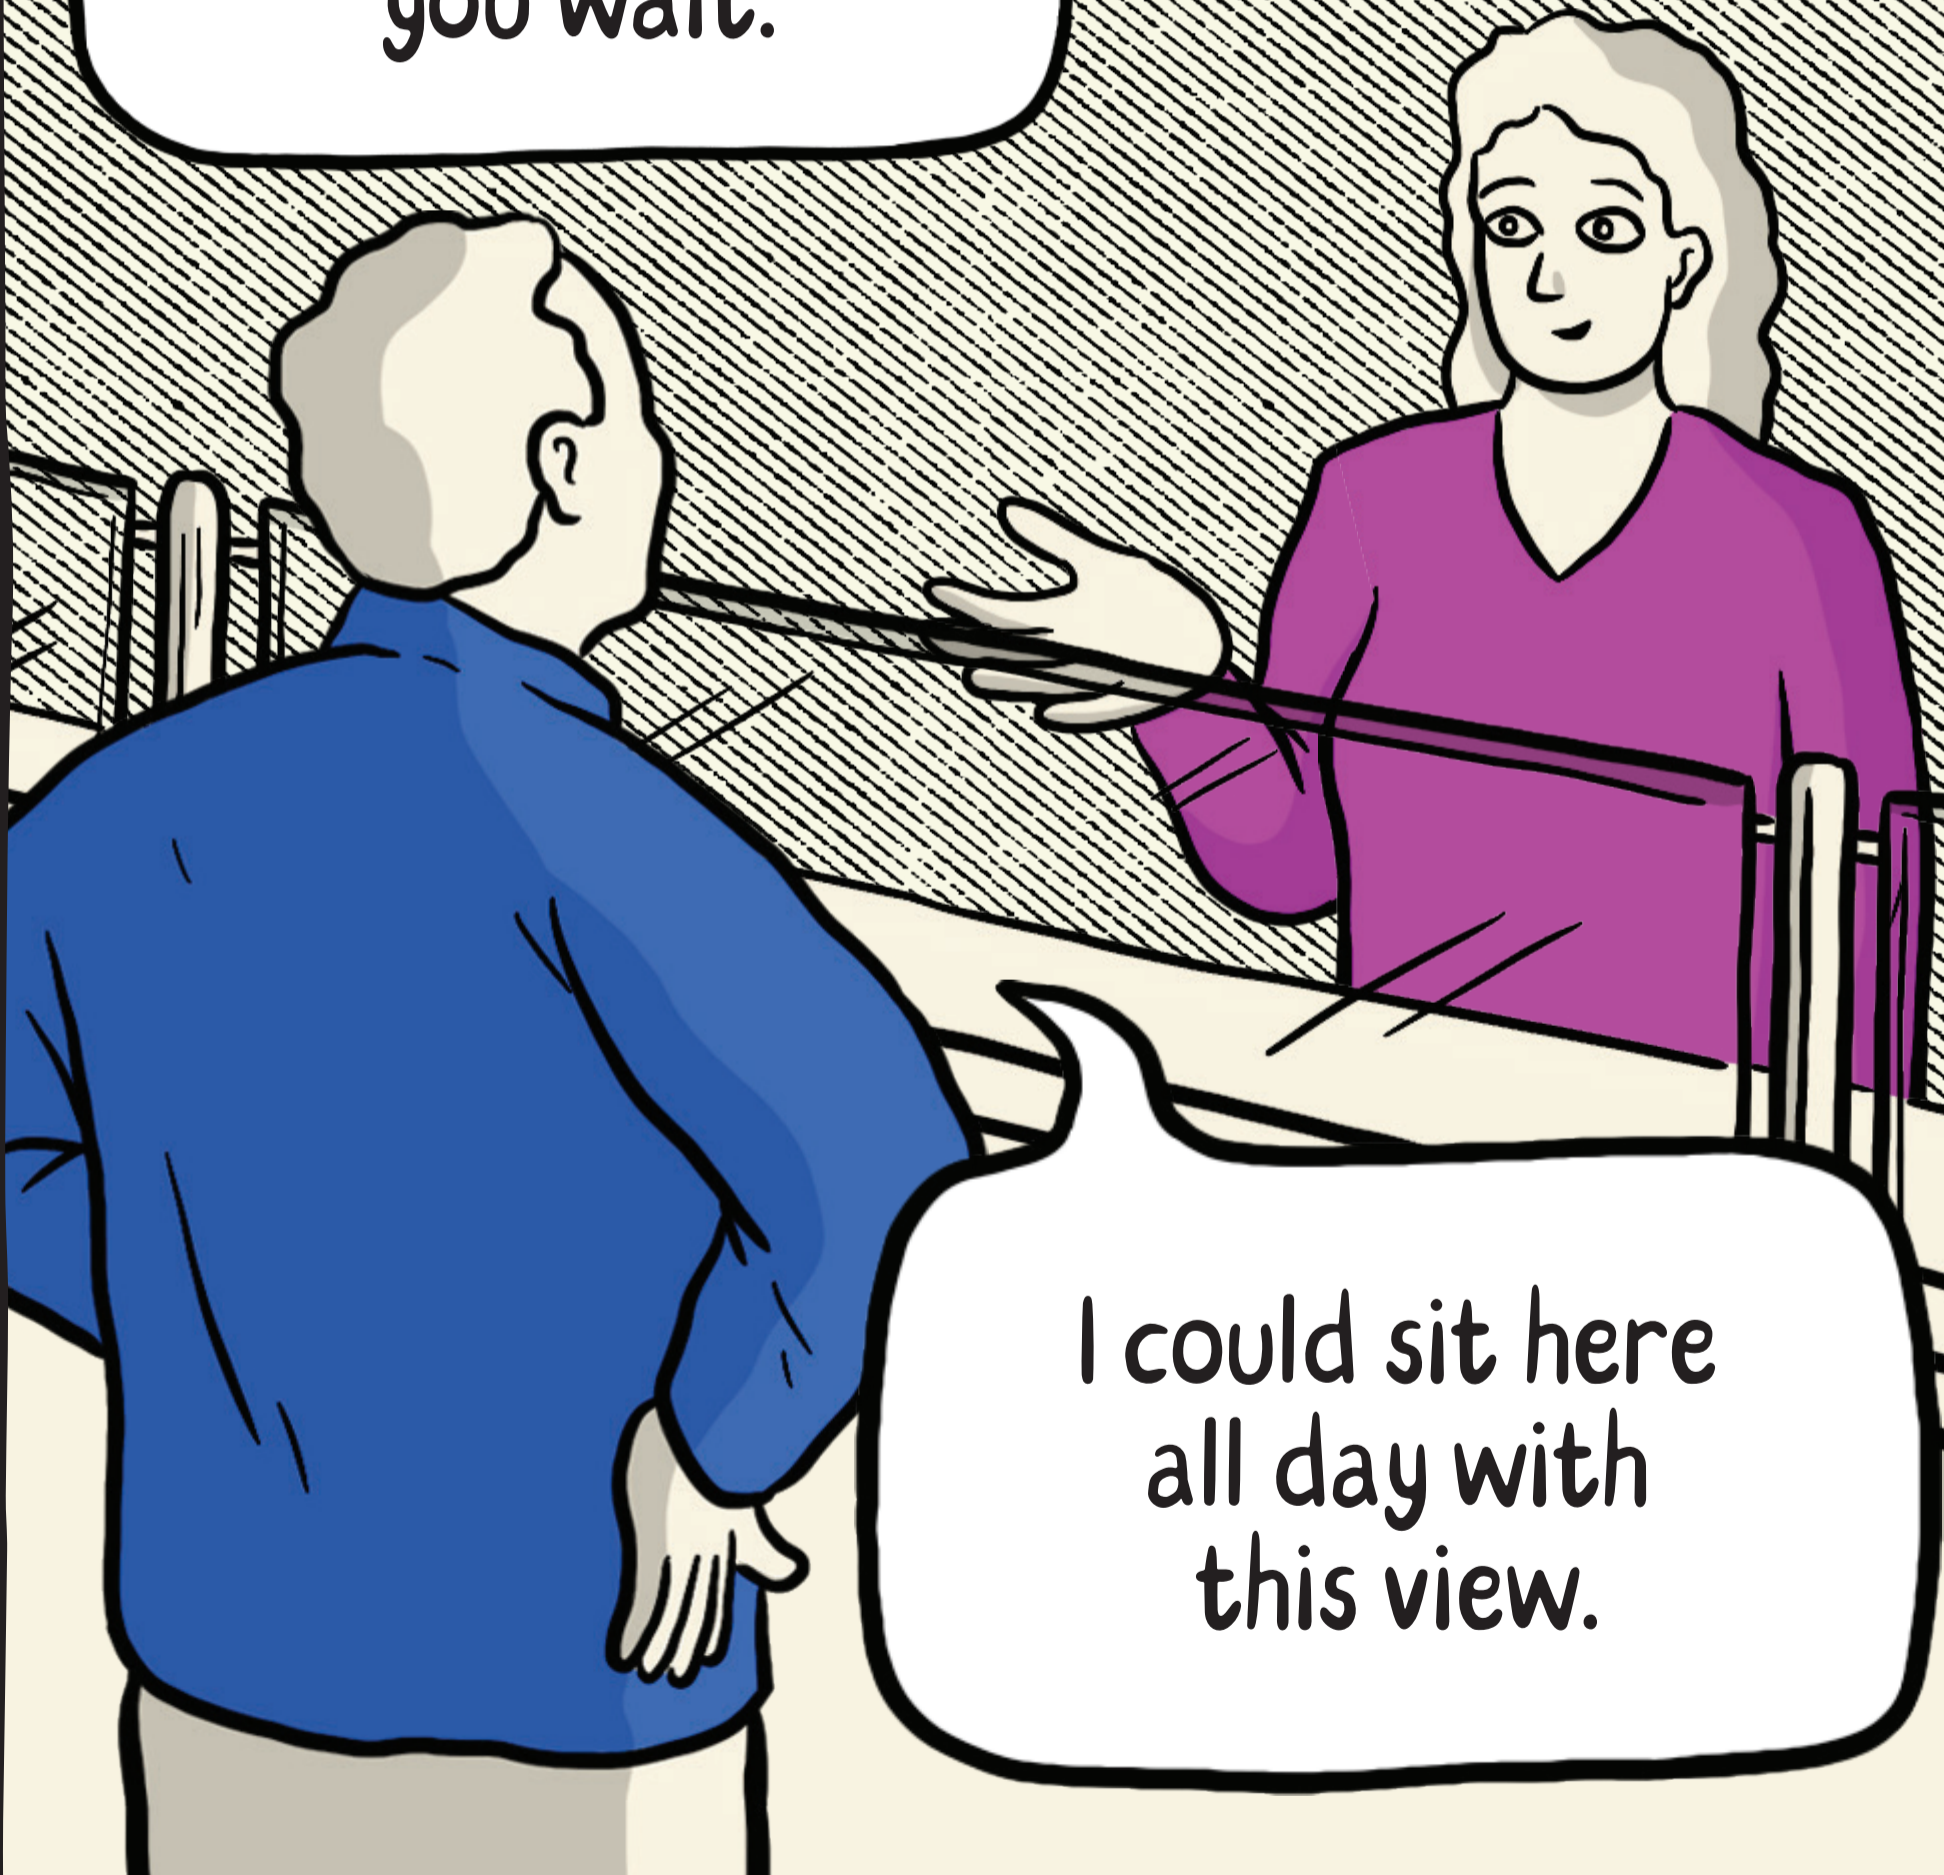

Harmless?

You can have a seat here while you wait.

I could sit here all day with this view.

Wow, you're so good at doing things like a normal person.

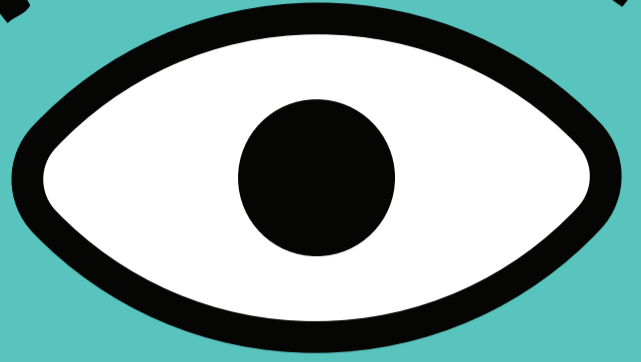

Harmless?

Harmless?

It's such a shame that a handsome guy like him is gay.

Harmless?

Can I touch
your hair?

It's so
exotic and
pretty.

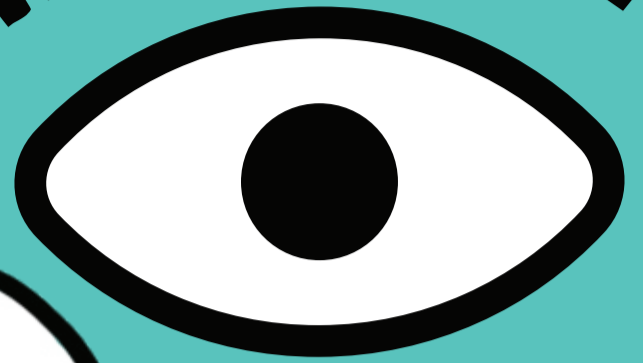

Harmless?

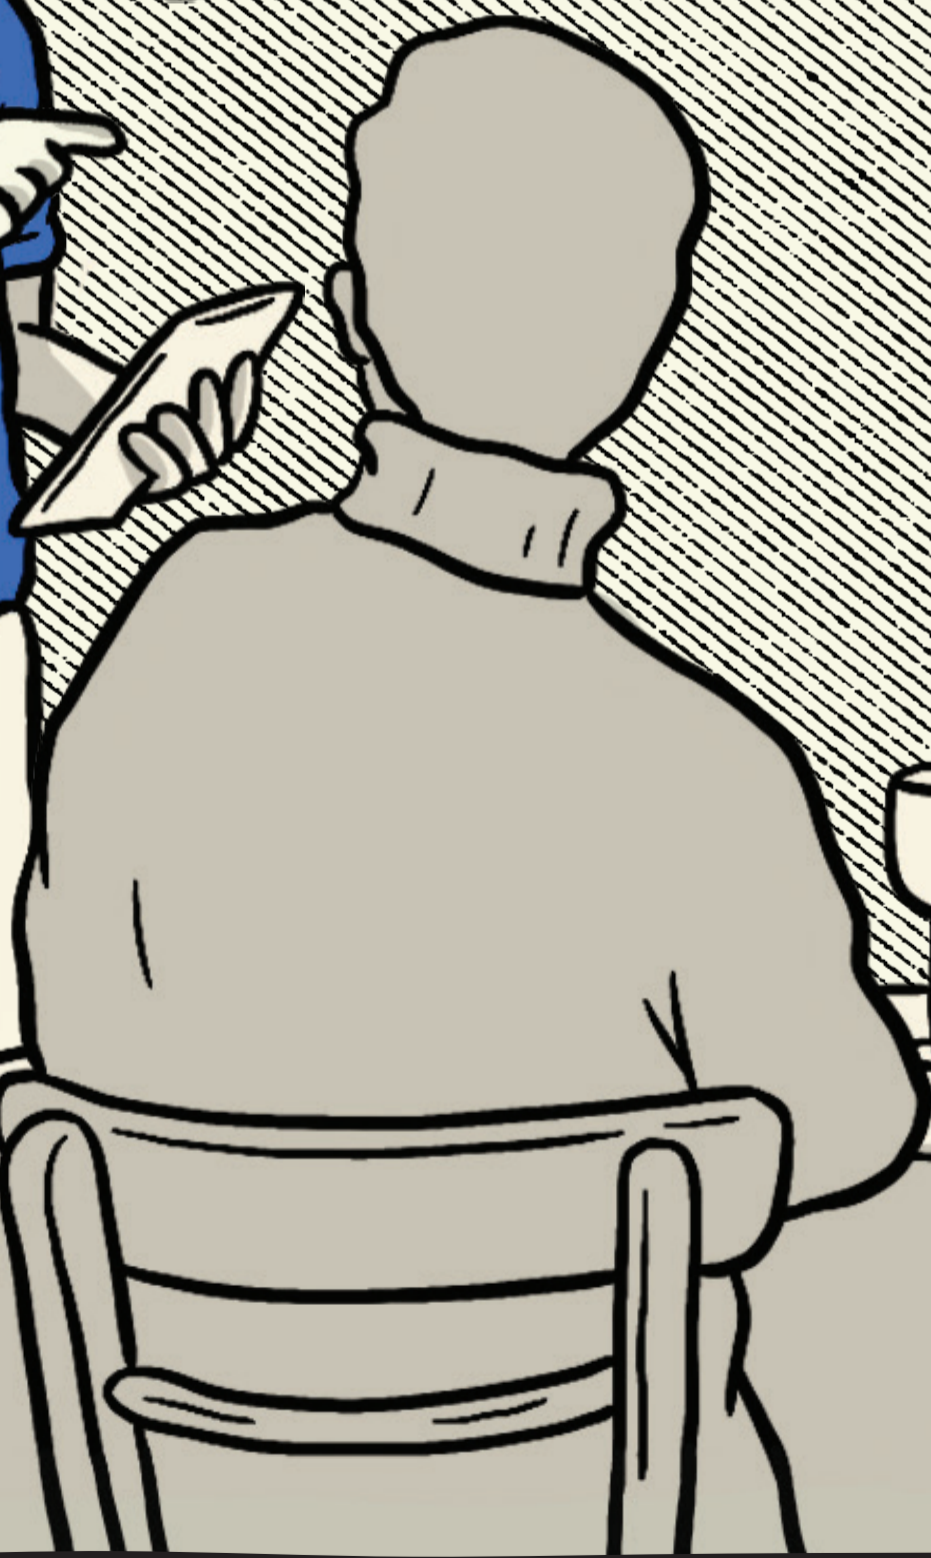

Do you spend
so much time
on your knees?

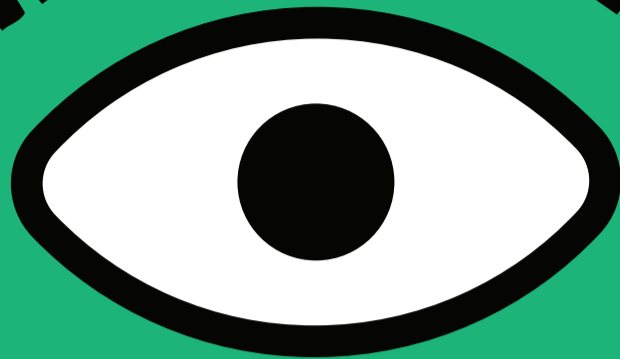

Harmless?

And what can
I get him?

Harmless?

Are you trans!

What was your name when you were a woman?

You speak such
good English.
Where are you
from?

I'm just
from here.

But where are
you really
from?

Harmless?

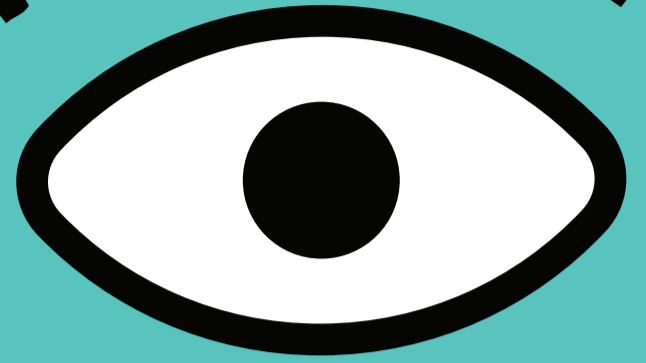

Can you make out for me?

I could also join in.

Harmless?

Harmless?

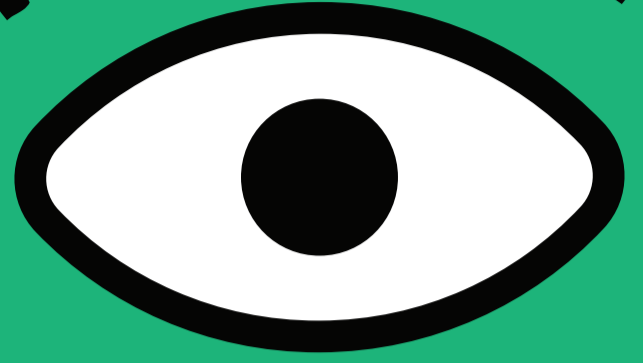

You're not quite normal now, are you?

I'm completely normal, but I'm autistic.

Yeah, aren't we all a little autistic, huh?

I didn't know
you were trans,
you look like a
real woman.

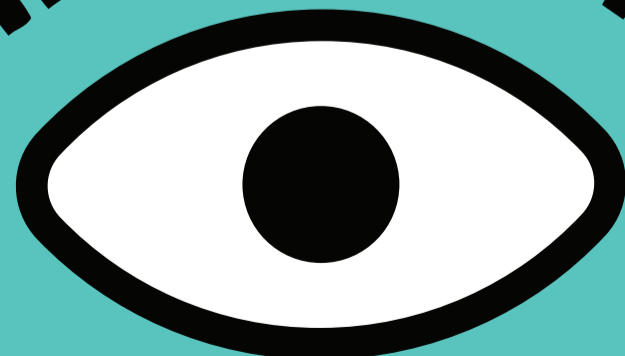

Harmless?

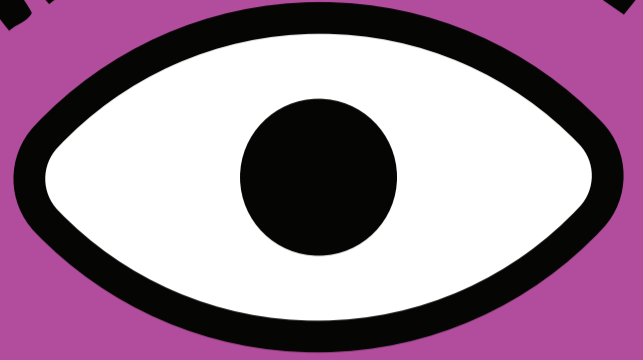

Speak Spanish
for me! It's
so sexy.

Are you from
Columbia? Do you have
cocaine for me?

Harmless?

Harmless?

I asked you again and again to stop, but you didn't. It's not okay to put your hand inside someone's clothes. Don't do it again!

She's so dramatic! I barely touched her, and she sent me this message.

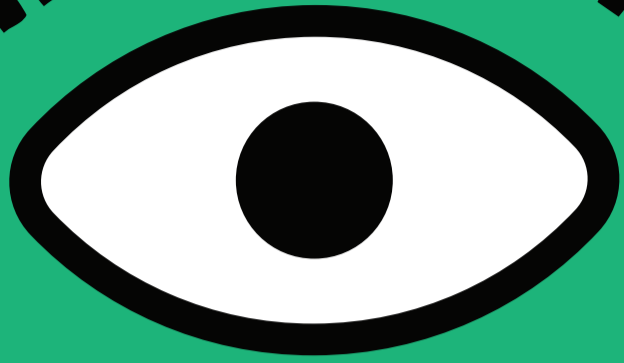

Is your dad
a terrorist?

Harmless?

Harmless?

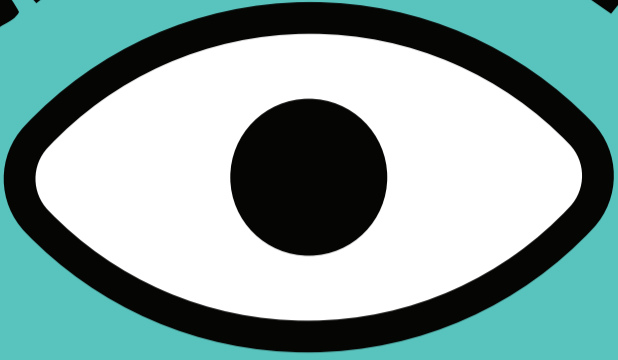

Just a moment,
I need to change
into my work
clothes.

Do you need any
help taking your
clothes off?

Harmless?

Can I help you, sir?

No, I want the one with the boobs.
